

## **National Initiative and Assistance Network**

A function of the NIAN is to raise awareness and funds to nationwide causes. The National Interscholastic Athletic Administrators Association has selected the **Tunnels to Towers** Foundation as the 2020 Initiative. The **Tunnels to Towers** Foundation honors the sacrifice of firefighter Stephen Siller who laid down his life to save others on September 11, 2001. They also honor our military and first responders who continue to make the supreme sacrifice of life and limb for our country.

Working together as an association driven to serve, please join us in making a difference with our military and first responders by encouraging all members to contribute. Please click on the following link to see the campaign video.
